Dear Parent

The number of people attending our cub group on a Friday night is currently quite low; we have around 14 cubs, and on most nights we get an attendance of around 10 or 11. Because of this, we are looking to increase our numbers in cubs, so we propose to do some “bring a friend nights” in the near future.

This letter is for those who know others that may be interested in scouting—any child between the ages of 8 and 10.5 (cub age) is welcome to take part, but we do ask that each young person is limited to one friend over the duration of the bring a friend nights.

We will not ask the young people who are trialling cubs to pay subs, as it is only two weeks, and these weeks are:

Friday 13th October
Friday 20th October

Of course, if there are more people that you know who are interested in scouting and are between the ages of 8 and 10.5, then let them know that there are spaces, and pass on our email address (the join link on the website doesn't work yet, but we're working on that!)

If there are any questions please email in and I'll respond as quickly as I can.

Thanks again,
The Cub Leadership Team
