Dear Parent

Every year the world scout organisation run a Jamboree on the internet (JOTI) and this year this will be taking place between Friday 20th October and Sunday 22nd October. On the Friday night, we will tune into the JOTI, but to continue to take part in the event over the weekend, the young people will need access to a device connected to the internet, and they'll need a login for the scout.org website.

If your child would like to take part in the JOTI, after Friday night, they should make an account at scout.org and then follow the instructions as how to join the JOTI at

jotajoti.info

According to the JOTI website, you can expect;

- Webinars about inter-religious dialogue
- Discussion panels
- Chat with scouts from around the world
- Painting mandalas
- Learning about biodiversity (different plants and animals)

This is the first time we're taking part in this event, so we'll keep the facebook group updated as we learn more.

Thanks again,
The 12th Gateshead leaders
