Dear Parent

Gateshead district scouts are hosting an outdoor activity day at Whickham thorns for cub packs. This event will take place on Sunday 19th May. The district have declared that they would like an estimate for the numbers attending from each group by this Thursday – so if your child would like to go, please respond to the message on the facebook group, or send in an email by Thursday 28th March.

There is no charge for the event, and it will run between the hours of 10:00 – 15:00. Young people are to be dropped off at the normal car park, adjacent to the building where reception is. Could I ask that the cubs attend in non-uniform, but with their neckerchiefs on.

It will be a fab day – from sledging to climbing, and archery, there'll be plenty to do.

Thanks again,
Lewis
