Dear Parent

Next week at cubs (Friday 8th March) we will be going on a night hike. The night hike will take place at the normal meeting time, and we will start and begin at the church hall where we normally meet.

Most of the young people have returned their 'permission to leave HQ forms', but for those who have not, I have attached them to this letter.

Please could your child wear normal uniform, but with a jacket and, if they have them, walking boots (trainers are also fine) and it will also be necessary for them to have a torch of some kind, to allow them to see in the dark.

The route will be around Whickham and Washingwell woods/Watergate area.

Cheers,
The Cub Scout Leaders
